The Southwestern Nurseries

Waterloo, Kansas

P. O. ADDRESS-MURDOCK, KINGMAN COUNTY, KANSAS.

Headquarters for All Kinds of Nursery Stock

Our Nurseries are Five miles north of Murdock, Two miles north and Ten miles east of Kingman. Stock is First Class. Liberal count and good grade, with careful labeling assured.

Certificate of inspection with every shipment. Orders should be sent in as early as possible before our assort-

Orders should be sent in as early as possible before our assortment is broken.

TERMS:—CASH WITH ORDER. 5 plants of a kind and grade at 10 rates; 25 of a kind and grade at 100 rates.

We gladly correct any errors, providing same be reported immediately upon receipt of goods. We guarantee stock true to name and will replace free of charge any that should prove untrue, but in no case shall we be liable for a greater amount than that originally paid.

Our responsibility ceases after delivery to railroad. We do not pay freight unless a sufficient amount is remitted above price of trees to fully cover same.

cover same.

We can not afford to fill orders from this list for less than \$3.00.

We invite everyone to visit our Nurseries at any time.

If you do not see what you want on this list write us, for we are pretty sure to have it.

Thanking you for early orders, we remain,

Yours truly, SOUTHWESTERN NURSERIES.

EVERGREENS TRANSPLANTED

Nearly all evergreens should be transplanted, as they are surer and give better and quicker results than seedlings. They are cheaper in the long run. All the varieties we offer are hardy and asy to transplant.

EVERGREEN SEEDLINGŞ

Biota is one of the hardiest, fastest-growing evergreens. Hardy on any land and suitable for any purpose. The seedlings are easy to transplant and anyone needing a windbreak can get nothing as good. They form a solid wall in 4 to 5 years. The tree for the millions.
